### **SGSM GOLFING ACTIVITIES FOR YEAR 2020**

#### **Golfing Events**

The year 2020 is a challenging year when the world has been attacked by the Covid-19 epidemic. Malaysia was affected by the spread of the epidemic which resulted in the Federal Government implementing the Movement Control Orders (MCO) throughout Malaysia. This has led to many sectors being ordered to close operation w.e.f 18 Mac 2020.

The golf industry was badly affected; the entire golf club was ordered to close operations temporarily and the people were instructed to stay at home during the Lockdown. However, when Klang Valley was placed under the Conditional Movement Control Order (CMCO), SGSM had the opportunity to host three (4) golf events namely 2 Monthly Medals (Jan & Feb), 1 Annual Event and 1 International Event (MALINDO II).

The summary of the events and the results are attached.

## **Major Events**

### **1. International Events - Malindo II**

The event was hosted by the SGSM on 10th and 11th February at The TPC Kuala Lumpur and Sungai Long Golf & Country Club. SGSM was represented by 65 players. Unfortunately SGSM lost the Malindo Trophy for the third time to the Indonesian Senior Golfers Team. It was a jovial and friendly gathering of the seniors of the 2 countries who have mostly known and familiar with each other. The Dinner was hosted by Tourism Malaysia at Tamu Hotel where our guests stayed and was also attended by YBhg Tan Sri Salehudin Mohamad, our past President and the Deputy Ambassador of Indonesia to Malaysia.

### **2. President Trophy 2020**

The Championship was held during the Movement Control Order (MCO) at Sungai Long Golf & Country Club on Thursday, 24<sup>th</sup> December 2020. It was an interesting revisit to the popular Golf Club in Klang Valley and it attracted 68 participants. Many registered but withdrew at the last minute for fear of the Covid-19. Players were required to follow Standard Operations Procedures (SOP) set by MKN, MGA and the Club Management.

### **3. Monthly Medals**

The Monthly Medal continued to be popular social event and three (3) games were played in the year. These events are self-financing as the actual fees are collected from participants at each game. The Medals played were as follows:

1. January            9 Jan 2020    104 players    Amverton Cove Golf & island Resort
  2. February        20 Feb 2020    57 players    Bukit Kemuning Golf & Country Club
  3. March            10 Sept 2020    128 players    Kelab Rahman Putra
- (The March Medals was originally scheduled on 19 March 2020, 1 day after the Lockdown was imposed. The Tournament Sub-Committee decided to postpone the event to 10 September at Kelab Rahman Putra together with the Cong Xi- Raya Tournament.)*

## **FINANCE**

The Financial Year 2020 shows a healthy cash flow generated mainly from rental income of our building and Member's Annual Subscription, Entrance Fees and also Life Members. This year we manage to collect operational revenue of RM676,600 within the year. With this new development financially we have shown surpluses income against expenses less depreciation.

In comparison, income from members in the form of Annual Subscriptions and Entrance Fees for new Members is still small. However, income from Life Membership for this year have doubled from the previous year

New membership drive should be initiated to ensure more new active Members participating in our activities, hence it will generate income. We are looking forward for better prizes and increase in number of participation in our golfing activities. With the surpluses in our coffer, more fund allocation will be given in our Golf Tournament for the benefit of our Members.

## **ACKNOWLEDGEMENT**

The year 2020, is a challenging year when Malaysia and the rest of the world are hit by unforeseen disasters. The Covid19 virus attack has affected many people, some have lost their life, and even many economic sectors have had to close. To curb the spread of the Covid19 virus, the Malaysian government has implemented a Movement Control Order (MCO) throughout Malaysia. As a result, all social and economic activities stopped for a while. However, thanks to the people's concern and compliance with the various SOPs outlined by the government, the country is now able to withstand this pandemic challenge.

I would like to thank and appreciate the Golf Clubs and Hotel accommodation throughout Malaysia who continue to provide the best prices to the association and also to SGSM members throughout Malaysia.

In 2020, there are not many golf activities that can be organized by the Association due to the implementation of the MCO by the Government. However, the Association has managed to organize several monthly golf competitions as well as the President's Cup Golf competitions.

I would like to thank the members of the association for their continued support. Finally, I would like to take this opportunity to express my gratitude and appreciation to my colleagues on the

Council and the Executive Committee and to the members of the Subcommittee and Staff of the Association for the support and cooperation they have given me in carrying out my duties. Their dedication makes my job easier and more enjoyable.

On behalf of the Council
